GRUNDY R-V BASKETBALL GUIDLINES

It is our goal to ensure that the Grundy R-V School District is able to maintain school and all the activities that go along full-time, in-person instruction. With that being said, we feel that it is essential to keep our students, staff, parents and community as safe as possible through the basketball season. After discussion between the administration and school board we are going to implement the following procedures for our basketball season.

- Admittance will be allowed only with a ticket for home games.
- All Grundy R-V players, coaches, managers and cheerleaders will receive five tickets each. Visiting teams will receive two tickets for players, coaches and cheerleaders.
- Tickets will be collected at the gate. Home team and visiting team tickets will be of different color, normal gate fee will apply. Each ticket will need to have the name and phone number of the person presenting the ticket to aid in contact tracing if necessary.
- There will be approximately 150 tickets issued per game for all participants. This number will vary slightly through the season depending upon the number to game participants (players, coaches, managers, cheerleaders). So it could drop to four tickets per participant.
- If a participant does not need their allotment of tickets, they can give them to someone who needs more tickets for family members. The school does not wish to control how the tickets are distributed.
- All fans are asked to wear a mask and socially distance themselves outside of family groups. Masks will be available.
- Seating in the concession area will be limited.
- All games will be live streamed for persons unable to attend the game.
